**Subject:** technical assistance request- West Lake Landfill legislation

Hi all,

House Transportation and Infrastructure Committee minority staff has requested EPA and Corps technical assistance on the West Lake legislation. Attached are the Corps draft responses to those Qs that they have the lead on, and the first few are for EPA. I think we can answer these with the info. Curtis provided me last week (attached fyi). We do not need to provide this until next week. Let me know any comments or questions, thanks.
